

Brand Name Products – Brand Name Values

MTD (The Modern Tool and Die Company) is a brand manufacturer of motorized garden equipment.

MTD, Bolens, Yard-Man, GUTBROD and Cub Cadet belong to their list of brands.

The benefits of each of these brands are described below:

MTD – High performance, fair price

The most comprehensive assortment of motorized garden equipment for almost every possible use in is produced under the brand name MTD. Hobby gardeners can select from a wide range of different products that all have one thing in common: they are user friendly, robust and tough. When you select an MTD-product, you select a long lasting companion for your gardening work. MTD-brand equipment is sold in home improvement stores and garden centers.

Bolens – Clever products at attractive prices

Bolens equipment is simple, but efficient. It's robust and equipped with sound technology. In short: these are products for clever beginners and gardeners that want to get a gardening job done quickly.

For many years now, Bolens has had a large following of true fans in the USA. The name has an excellent reputation among gardening fans. Founded in 1850, Bolens has kept to its motto "Dependable, affordable equipment since 1850" for the past 150 years. In other words: Bolens equipment was developed and conceived for just one reason: to make gardening as easy and inexpensive as possible. You will find Bolens equipment in selected stores.

Yard-Man – Technology meets design

Yard-Man-products make gardening pure relaxation: their excellent technology and distinctive design see to that. Those who appreciate sophisticated ergonomics, comfortable handling and the advantages of specialized support will also feel at home with Yard-Man.

GUTBROD – Traditionally innovative

If you are searching for that special something for your garden and want a piece of German engineering, you will probably choose "GUTBROD". The well-established brand was revived by MTD without losing its own individual character, reliability and longevity, as well as its outstanding technological and added features. And of course, it goes without saying that excellent specialized service is a part of the GUTBROD-tradition.

Cub Cadet – Future-oriented thinking

Cub Cadet, the premium brand from MTD, embodies the perfect synthesis of power, endurance, functionality and comfort - characteristics that inspire hobby gardeners and gardening pros. Cub Cadet tools don't make compromises in performance and quality and set the standards in their respective product categories.

When you choose a product from Cub Cadet, you select the very best for your gardening work and service from a competent specialty retailer.
